

1.57	Disease caused by lyes	1																		
1.58	Disease caused by other substances or mixtures of substances	5	5																	

Chapter II. Occupational diseases caused by physical factors		2012	2011	2010	2009	2008	2007	2006	2005	2004	2003	2002	2001	2000	1999	1998	1997	1996	
<i>2.1.</i>	<i>Disease caused by ionizing radiation</i>																		
2.1.a	Damage to hematopoiesis due to ionizing radiation												1		2	1			1
2.1.b	Radiodermatitis and x-ray dermatitis																		
2.1.c	Skin cancer due to ionizing radiation	8	5	5	8	6	6	5	4	2	1		2	1	1				
2.1.d	Cataract due to ionizing radiation												1						
2.1.e	Leukemia						1		1	1	1	2							
2.1.f	Other malignancies due to ionizing radiation				1						1								
NS													1						1
2.2	Disease caused by electromagnetic radiation																		
2.3	Cataract caused by thermal radiation	1						1					1				1	1	
2.4	Hearing loss caused by noise	14	20	23	30	26	32	32	32	40	55	37	51	63	69	62	70	55	
2.5	Diseases caused by compressed or decompressed air							1											
2.6	Angioneurotic diseases caused by mechanical vibration	35	23	50	59	80	54	27	30	30	49	49	58	49	57	70	62	68	
2.7	Diseases of peripheral nerves in the upper extremities in terms of ischemic and compressive neuropathies due to work with vibrating tools and devices	168	188	196	179	168	184	127	176	9	152	182	175	199	212	267	322	337	
2.8	Diseases of bones and joints in the hands, wrists or elbows due to work with vibrating tools and devices	15	24	11	14	21	18	20	32	42	38	42	27	34	24	45	75	98	
2.9	Diseases of tendons, tendon capsules or insertions of muscles or joints in the extremities due to long-term and stereotyped overload	110	145	165	169	195	167	111	129	104	105	98	114	99	119	95	153	107	
2.10	Diseases of peripheral nerves in the extremities in term of compressive neuropathies due to long-term and stereotyped overload	227	269	257	194	264	220	201	188	186	171	187	167	232	236	284	311	240	
2.11	Diseases of bursae caused by local pressure	5	6	5	4	5	1	9	2	2	2	2	5	4	2	4	8	5	
2.12	Damage to the meniscus of the knee					1				2	1	2	5	6	17	6	1	5	6

Chapter III. Occupational diseases relating to the respiratory pathways, lungs, pleura and peritoneum		2012	2011	2010	2009	2008	2007	2006	2005	2004	2003	2002	2001	2000	1999	1998	1997	1996	
<i>3.1.</i>	<i>Pneumoconioses caused by dust containing crystalline silicon dioxide</i>																		
3.1.1	Silicosis acknowledged with regard to rapidity of progression										1		1				2	13	30
3.1.2	Silicosis with typical x-ray sign:	25	24	17	19	8	15	26	23	27	45	43	45	47	53	51	56	62	
3.1.3	Complicated silicosis	3	5	3	4		3	3	6	15	4	10	6	5	11	11	13		
3.1.4	Silicotuberculosis	1	3	1		1	1	5	1	2	3	4	5	4	3	6	6	2	
3.1.5	Coalminers' pneumoconiosis acknowledged with regard to rapidity of progression	2	4	4	6	6	1	1	2	16	19	19	36	49	38	74	109		
3.1.6	Coalminers' pneumoconiosis with typical x-ray sign:	68	84	61	63	51	54	54	56	68	67	51	55	99	104	108	92	114	
3.1.7	Complicated coalminers' pneumoconiosis	8	6	11	10	15	8	3	13	8	15	10	17	9	4	14	11	11	
3.1.8	Coalminers' pneumoconiosis associated with tuberculosis	2	1	2	4	4	1	4	3	4	6	1	6	7	10	10	17	15	
NS																6			
<i>3.2.</i>	<i>Respiratory diseases caused by asbestos dust</i>																		
3.2.a	Asbestosis	4	5	4	8	9	4	1	9	4	8	5	3	2	7	7	8	11	
3.2.b	Pleural hyalinosis with restrictive ventilation disorder	3	13	27	20	14	22	17	23	12	10	21	15	4	8	5	2	3	
3.2.c	Pleural or peritoneal mesothelioma	15	5	9	4	5	7	5	8	3	5	6	7	7	5	4	8	1	
3.2.d	Lung cancer or cancer of the larynx in association with asbestosis or pleural plaques	2	2	4	4		2	5	2	4	1	2	7	1	3	3	2	3	
3.3	Pneumoconiosis caused by dust in the production and processing of hard metals																		1
3.4	Welders' pneumoconiosis	4	1	2	1		2		1	1	2	2	2	4	8	3	5	8	
3.5	Bronchopulmonary diseases caused by inhalation of cobalt, tin, barium, gamma raffite, aluminium oxide, beryllium, antimony, or titanium dioxide		1												1		1		
3.6	Lung cancer caused by radioactive substances	9	9	15	13	5	15	16	20	15	33	33	30	35	29	27	45	67	
3.7	Lung cancer caused by coke-oven gas	2						2				2	3	2	2	1	5	1	
3.8	Cancer of the nasal or sinus mucosa caused by wooden dust							1											
3.9	Exogenic allergic alveolitis	6	6	6	9	3	3	1		5	7	3	2	5	4	4	10	4	
<i>3.10.</i>	<i>Bronchial asthma and allergic diseases of the upper respiratory tract</i>																		
3.10.1	Bronchial asthma	42	48	56	48	37	48	51	51	71	38	50	43	50	43	56	57	70	
3.10.2	Other allergic diseases of the respiratory tract	16	12	25	26	23	25	44	29	44	30	23	29	33	31	19	34	12	
3.10.3	Bronchial asthma combined with another allergic disease of the respiratory tract									6	27	31	12	12	8	18	23	8	
3.11	Bronchopulmonary diseases caused by cotton, flax, hemp, jute, sisal or sugar-cane dust		1														2		
3.12	Lung cancer associated with pneumoconiosis caused by dust containing free crystalline SiO ₂	9	6																
3.13	Chronic obstructive pulmonary disease in underground coal miners		2																

Chapter IV. Occupational skin diseases caused by physical, chemical or biological factors		2012	2011	2010	2009	2008	2007	2006	2005	2004	2003	2002	2001	2000	1999	1998	1997	1996	
<i>4.1.</i>	<i>Skin diseases caused by physical, chemical or biological factors</i>																		
4.1.01	Occupational skin diseases caused by alkali				1			3	1			1			4	1	2	1	
4.1.02	Occupational skin diseases caused by cement		1	1	1	2			2	1	5		12	18	18	2	9	15	
4.1.03	Occupational skin diseases caused by inorganic and organic acids	1			1		1	6	1	2	1		1					2	
4.1.04	Occupational skin diseases caused by cleansing products	7	4	4	8	13	17	8	15	16	15	12	13	22	35	20	25	21	
4.1.05	Occupational skin diseases caused by organic solvents	5	5			2	1	1	2	4	5	3	2	6	1	6	8	8	
4.1.06	Occupational skin diseases caused by mineral products	33	26	19	50	51	49	59	60	43	80	79	75	60	72	49	60	80	

6.1.01	Serious hyperkinetic dysphonia			1		1			1			1	1		1	2	4	5	1	5
6.1.02	Chorditis nodosa					2			3			2			1		1	4	1	3
6.1.03	Serious vocal cord incompetence					1						1			1				1	2
6.1.04	Serious phonasthenia					3						1			1				1	
Total number of occupational diseases		1099	1266	1292	1313	1403	1291	1216	1400	1388	1558	1600	1677	1751	1886	2111	2376	2541		
Incidence per 100,000 employees		24,6	30,1	30,0	30,9	30,7	28,1	27	31,5	31,6	35,1	35,8	37,4	38,7	41,1	44,1	49,1	55,2
